And Whereas it has not been shown this Council that any adequate or any urgent necessity existed for the payment of the said monies on that date without the authority of this Council, and no sufficies reason has been assigned or explanation given for not calling together this Council and obtaining a Revote of the Money :-

Now therefore, we the undersigned Un. | poned. official Members of Council in our places in Council, as the Representatives of the public interest and as the lawfully coustifuted Quardians of the public purse, and for the preservation of the rights of this Honorable Council, solemnly protest against the action of His Excellency the Governor in inguing his warrant, without the authority of this Council, for the payment of the said sum of Twenty thousand Pounds Starling, additional Military Contribution and against the payment of the sax

We have further most earnestly to pr test against the action of His Excellency the Governor in concealing from this Council until its meeting on the 80th April last, and natil a question had been put on the author, the fact that this money had been pald, on his authority, on the 21st of February last; in laying on the Council table, on the 25th February last, a Minute recommending the Revote of the Council of this additional Military Contribution for 1890, the Minute being silent as to the payment of the money : in permitting this Conneil to discuss in Finance Committee on the 25th February, and in full Counci on the 5th and 19th March in his own presence, the question whether this money should or should not be revoted, the Council being deliberately left in ignorance of the fact that the money had airesdy, on the 21st Bebruary, been paid out of the Colo-

. The Colonial Secretary said, with respect to the remarks of the Attorney General. that in addition to the fee of \$25 charged by the Government there was former'y a fee of 825 charged by the Attorney General, but as under the new scheme of salaries the Attorney General was not entitled to this fee this extra \$25 had been saved by applicants for grants of letters patent.
